### **7<sup>th</sup> Edition of the “Enrique Alcaraz” Research Award in progress!**

Our Association’s Research Award will take place in in June of 2019. So far, three published monographic volumes have been submitted as candidates (published monographs category). No candidates have applied for the second category of unpublished postgraduate / doctoral research. We thus encourage young researchers to consider this opportunity for their work dissemination and evaluation!

### **A new treasurer for AELFE**

Ignacio Guillén Galve, from University of Zaragoza, is the new treasurer (since September of 2018). Purificación Sánchez Hernández, the previous treasurer, did an excellent job, and we thank and congratulate her for a great job done. She has also enabled a smooth and effective transition in the treasury. For the membership fees in 2019, the banking account will have changed but there will be no need to do anything if you have the AELFE fee as a direct debit in your account.

Best Regards,
