

AELFE 2022

Next AELFE conference will be held at University of Pisa (Italy) between 14th and 15th September, 2022. We hope we can finally meet physically (although there will also be online sessions). The main theme is an interesting one! (Pandemic times and LSP approaches). Its organization is coordinated by Dr. Elena Carpi.

Our journal *Ibérica* is now hosted on a new OJS platform. Please register there to check all the possibilities afforded. The new Editors-in-Chief are Dr. Ruth Breeze and Dr. Maria Kuteeva.

The 9th Enrique Alcaraz research award edition is now open. Visit AELFE's web site for more information.
